

4-H Exploration Days

June 21-23, 2023

Registration opens Tuesday, March 21 at 7 PM EST!

To register, please visit the 4-H Exploration Days websitehttps://www.canr.msu.edu/4_h_exploration_days/registration_information

RegPack Registration take all major credit cards, debit cards cards and e-checks.

Cash payments for 4-H Exploration Days will need to be paid at the county MSU Extension Office and processed through Vend/Lightspeed. The \$50 deposit should be paid before registration opens because a code will be given for RegPack.

Fee Deadlines, Cancellations & Refunds

\$50 Pre-Payment – due upon registration
Cancellations through May 1, 2023 are fully refundable.
(Pre-payment is non-refundable for cancellations after May 1.)
Cancellations between May 1 and 26, will receive payment minus the
\$50 pre-payment. All Fees balance due by May 26 – This is the
remaining balance, that includes additional fees or minus any
applicable scholarship credits/coupon codes for local scholarships.
Anyone not fully paid by May 26th will be canceled. Anyone who is
canceled due to lack of full payment by May 26th is not eligible for a
refund. Cancellations by participants after May 26th will lose \$120 of
their payment(s).

Cancellations after June 16th are considered no show and refunds will not be given.

Refunds will be processed based on the method of payment.

	Session A: Thursday, June 22 8:30 am - 11:30 am			
Session Number	Title	Description	Age Range	
Hamber		3, 2, 1, Liftoff! Soar into the atmosphere in this session as you learn the basics of making a model rocket. Launch yourself into	Age numbe	
A-1*	3, 2, 1, Liftoff!	the design process as you carve a nosecone, cutout fins, and add unique elements to fit your mission parameters. Don't let this session zoom by. Ages 12 and up.	12-19	
A-1	3, 2, 1, LIILOIT:	Did you know American Sign Language (ASL) has its own grammar, word order and style? Attend this session to learn the basics of the ASL alphabet, numbers 1-20, every day words, and basic sentences. This session is geared toward participants who don't have much experience with ASL but want to learn	12-19	
A-2	American Sign Language for Beginners	this important language. Ages 12 and up. Join us at the world class MSU Demmer Center for this introductory class to the worldwide sport of archery. Learn the basics of what it takes to knock, draw, aim and fire an arrow down range to the target. Learn about the basic equipment, range rules, and competitions you can take part in while having fun shooting bows and arrows! This is a class on the basics of archery. No open-	12-19	
A-3*	Archers to the Line!	toed shoes will be allowed. Ages 12 and up. Chinese calligraphy combines visual art and literal meaning into one form of communication. This session will allow you to use traditional Chinese calligraphy tools to create your own calligraphy works. Learn about the start of Chinese calligraphy, including the writing tools, the different types of script, and important calligraphers. Leave with an appreciation and skill in this	12-19	
A-4	Chinese Calligraphy	beautiful visual art. Ages 12 and up. Are you an aspiring Picasso? In this session, have some creative fun while learning how to paint your own masterpiece! With step-by-step instructions, you will recreate an acrylic painting to take home. Please bring an apron or wear old clothes you don't mind getting paint on. No previous painting	12-19	
A-5	Crocheting Basics	experience is needed. Ages 12 and up. Crochet is the process of using hooks to interlock yarn, thread or other materials together. A convenient and adaptable craft, this session will teach you basic crochet stitches so you can create your own crocheted items, including bags, blankets, hats and more! Ages 12 and up.	12-19	

		Adamada de Carriadana dallia ancia	
		Advanced Level Session! Attend this session	
		to create a new horse show	
		gymkhana/speed class to submit for	
		approval to the Michigan 4-H Horse & Pony	
		Project Rules Committee! We will create a	
		pattern, decide what obstacles to use,	
		determine the measurements, and include	
		information on penalties and	
		disqualifications. We will also evaluate the	
		new pattern for any safety issues. Bring your	
		knowledge of the current approved 4-H	
		Horse & Pony Project Speed/gymkhana	
		classes that are offered at the Michigan	
		State 4-H Horse Show and develop your skill	
A-7*	Design Your Own Gymkhana/Speed Pattern	in designing a pattern. Ages 12 and up.	12-19
		In this hands-on food preservation session	
		you'll learn different ways to preserve food	
		and practice preserving food so you can	
		enjoy it later. You'll also explore ways to	
		showcase your great food preservation	
A-8	Don't Bite Off More Than You CAN Chew!	projects at your county fair. Ages 12 and up.	12-19
		Interested in digital art? Enjoy Dungeons	
		and Dragons(DnD)? Want to attend an EPIC	
		session? In this session, you will utilize the	
		Sketchbook Pro app on provided iPads to	
		design a DnD-inspired character. Experience	
		character creation techniques and a variety	
		of approaches to digital art. Develop your	
		skill in this drawing and animation software	
		and leave inspired to create more! Ages 12	
A-9*	Dungeons and Drawing	and up.	12-19
A-3	Dungeons and Drawing	Are you ready to take a coding adventure?	12-13
		Use your critical thinking skills and solve fun	
		interactive puzzles. Using Swift Playgrounds,	
		a revolutionary app for iPads, have fun and	
		experiment with this powerful programming	
		language. No coding experience required	
A 10	Everyone Can Code	and iPads are provided for the session. Ages	12 10
A-10	Everyone Can Code	12 and up.	12-19
		Are you interested in plant science,	
		gardening or just love plants? Explore all	
		that MSU has to offer in the beautiful world	
		of horticulture. Get a behind-the-scenes,	
	Endodou House to Access	hands-on look at MSU greenhouses,	
A-11	Exploring Horticulture At MSU	gardens and more! Ages 12 and up.	12-19
		Get Quizzicle! Play an Anishinaabek	
		Knowledge Game! Want to learn more	
		about the Michigan Tribal Nations? This	
		_	
		session will provide a foundation of the

Join us as we cruise around with	15-19

		This session will allow you to increase your	
		awareness of who and how you are.	
		Knowing this, you can respond, instead of	
		react, to your environment and limit times	
		your feelings overwhelm you. We will	
		discuss the importance of self-care, sample	
		approaches to daily mindfulness, and	
		methods to create regular habits that foster	
		peace and harmony. You will be able to	
	Cood Vibes Only Mindfulness Calf Care and	practice these approaches in your daily life	
A-14*	Good Vibes Only: Mindfulness, Self-Care, and	and share what you learned with friends.	12-19
A-14	Harmony	Ages 12 and up.	12-19
		In the market for a t-shirt but nothing is catching your eye? Design your own! In this	
		session, you will find or create your design,	
		make an outline and then use heat to apply	
		the image onto your shirt. You'll also learn	
		about the different application processes	
		required for different fabrics. A shirt will be	
		provided and you are also welcome to bring	
		an extra shirt to try out different heat	
A-15	Heat Press to Impress	application methods! Ages 12 and up.	12-19
		Did you know that chocolate and vanilla are	
		the most popular flavors of ice cream? Join	
		us in this session as we scoop our way	
		through the science of ice cream. Whether	
		eaten in a bowl or in a cone, you will be able	
		to add to your toppings of knowledge as we	
		learn about the elements and recipies for	
A-16	Ice Cream, You Scream	various ice cream flavors! Ages 12 and up.	12-19
		Advanced Level Session! You must have	
		inline skating experience for this session and	
		bring your own inline skates. Explore the	
		beautiful MSU campus as we skate around	
		while making friends. Find out more about	
		inline skating with trivia and games! Wear	
		clothes you can move in and bring your own inline skates. If you have safety equipment	
		(pads, helmets, wrist guards) of your own,	
		please bring as well. (Skates will not be	
A-17	In-Line Skating	provided.) Ages 12 and up.	12-19
, , ,	III LINE Stating	Do you want to learn about horses? Do you	12 13
		ride horses and want to enhance your	
		knowledge? This fun session will let you	
		learn while playing a game. Find out all	
		things horse from grooming to saddling,	
		basic anatomy and how to care for them.	
		You will even create a craft to take home!	
		Bring your questions to ask and build your	
A-18*	Intro to Horses	horse-based knowledge. Ages 12 and up.	12-19
		Experience the science of meat! This session	
		will cover the basic concepts of meat	
		evaluation and grading. Learn the priorities	
		for placing classes of beef, pork and lamb,	
		and allow you to use the tools (such as a	
		probe, grid, marbling cards) of the industry.	
		Then put your knowledge to the test as you	
		estimate beef yield and quality grades. A	
		portion of the session may be spent in the	
		meat lab (i.e. cold environment). You will	
		need closed toed shoes and jacket and	
۸ 10*	Intro to Most F1ti	adhere to meat lab policies. Long pants	43.40
A-19*	Intro to Meat Evaluation	would be recommended. Ages 12 and up.	12-19

A-20*	Make Your Own Video Game Controller	Do you love playing video games? Have you thought about the design that is involved in your controller? Did you know you could use every day materials like modeling dough, foil, wires, and cardboard to create a functioning controller? You will explore engineering and design concepts in this session by using Makey Makeys to make a controller and control a video game! Ages 12 and up.	12-19
7. 20	White four own video dame controller	Do your 4-H meetings or group activities	12 15
		feel like all work and no play? Learn quick and engaging activities to make your next meeting both fun and functional. Find ways to involve everyone in a group from the shy new member to the enthusiastic older	
		participant. Have fun and learn ways to	
		help everyone participate at their own	
A-21*	Meetings That Get You Moving!	comfort level. Ages 12 and up.	12-19
		Did you know there are over 300 distinct breeds of goats? From nutrition, to showing, to evaluation, this session will provide you with the basics on goats. Try using clippers, hoof trimmers and doing body assessments. No open-toed shoes allowed. Ages 12 and	
A-22*	No Kidding! Goats 101	up.	12-19
		Amaze and impress your friends and family with your skillful perspective on magic and illusions. You'll learn how to make your own simple bag of magic tricks on a shoestring budget, explore the science and psychology behind these tricks as well as take a historical look at optical illusions. Ages 12	
A-23	Nothing Up My Sleeve! Magic & Illusions	and up.	12-19
A-24	Orange, Blue, Green, Gold - What are You?	What type of cereal are you? How do you define doing a good job? Where do you want to be in five years? Master how to answer these questions as you take a deeper look at your personality in this session. Using the Real Colors personality assessment, you will learn tips and tricks to help prepare for your next interview. Ages 14 and up.	15-19
۸ 25*	Davie tivitus Training a Futura Landar Dag	Do you want to help the mission of Leader Dogs for the Blind and raise a future Leader Dog? This session is for you! Find out about positive reinforcement training, training a guide dog prospect, and careers in the guide dog industry. Experience a guided walk alongside a trained Leader Dog Canine Ambassdaor. Leave with a better understanding of the important role Leader Dogs have in empowering people who are visually impaired with lifelong skills for independent travel. No open toed shoes.	12.10
A-25*	Paws-tivity: Training a Future Leader Dog	Ages 12 and up.	12-19

A-32	Sow and Grow Your Late Summer Garden	shoes. Ages 12 and up.	12-19
		and starts and leave with your own plants and seeds to build your successful growing space. Come ready to work in the dirt! Wear clothes that can get dirty and no open-toed	
		few more flowers or vegetables? Learn which seeds can be started in summer for a late season crop. Practice potting seedlings	
A-31*	Spartan Dollars and Cents- A Budgeting Challenge	best align with the lifestyle you envision for yourself? Ages 12 and up. Do you still have room in your garden for a	12-19
		make about common monthly expenses. Find an apartment, buy a car, save for retirement. Can you develop a budget that	
		participants will take on the challenge of creating a budget based on decisions they	
		your own, make life decisions, and pay your bills? In this exciting budgeting simulation,	
A-30	Rull for your Life	Ever wonder how difficult it is to live on	12-19
A-30*	Run for your Life	move/run in and athletic shoes. Ages 12 and up.	12-19
		for your whole life! Wear clothes you can	
		practice. Come ready to learn how to run	
		the health and lifestyle benefits and nutrition tips to support your running	
		techniques to be healthy and fast. Discuss	
		distance running as well as running	
		you can do it anywhere! Learn the basics of	
, , <i>LJ</i>	neddy: Jet: Full:	Running is a free form of cardio exercise and	12-13
A-29*	Ready! Set! Pull!	will allow you to try the discipline of trap. No open-toed shoes will be allowed.	12-19
		shooting techniques and safety. This session	
		session you will learn the parts of the gun,	
		Ready! Set! Pull! During this hands-on	
A-28	Rabbit and Cavy Showmanship	required for safety. Ages 12 and up.	12-19
		shoes allowed. A long-sleeve shirt is	
		competitor this summer for your fair showmanship competition. No open-toed	
		showmanship skills? Learn how to be a top	
		Want to expand your rabbit and cavy	
A-27*	Pollination Celebration	up.	12-19
		by building a hotel for solitary burrowing bees using recycled materials. Ages 12 and	
		iNaturalist. Put your knowledge to the test	
		identify plants and their pollinators using	
		Take a stroll around campus to look for and	
		plants adapt to attract pollinators by designing your own flower and pollinator.	
		activity-based session. Learn how flowering	
		Celebrate and support pollinators in this	
A-26*	Pickleball: The Basics	shoes. Ages 12 and up.	12-19
		Pickleball! Participants should bring a water bottle, clothes to move in, and athletic	
		out where the Kitchen is and enjoy some	
		great game to play across generations. Find	
		game is all about strategy and defense- a	
		ping pong game on a small tennis court. The	
		US! Learn the basic shots and rules to play Pickleball, a paddle sport that looks like a	
		Come play the fastest growing sport in the	

		Collect the evidence Colve the evimes	
		Collect the evidence! Solve the crime!	
		Magnify your knowledge in foresensic	
		science in this interactive session. Learn the	
		process of identifying evidence such as	
	T	blood typing, fingerprints, shoeprints,	10.15
A-33*	There's Been a Crime!	handwriting and more! Ages 12 and up.	12-15
		Learn to create the perfect tie-dye	
		masterpice. You will get to experiment with	
		twisting, scrunching, and swirling	
		techniques to make beautiful patterns.	
		Open to all skill levels. A t-shirt will be	
		provided for tie-dye but you have the option	
		to bring up to 3 extra items of your choice.	
		Extra items can be socks, another tshirt, a	
		dress, shorts - just about anything that's	
A-34*	Tie-Dye Transformations	100% cotton. Ages 12 and up.	12-19
	·	What do trees need to be healthy? In this	
		session, you will see how the campus	
		arboretum is maintained at Michigan State	
		University. Experience basic instruction in	
		tree climbing with ropes and saddles. Learn	
		from arborists about the care that trees	
		need and see demonstrations of tree	
		spraying and injection techniques. See how	
		MSU repurposes wood from trees that are	
		removed from campus. Leave with ideas for	
		tree care in your community! No open-toed	
A-35	Tree-mendos care	shoes. Ages 12 and up.	12-19
A-33	Tree-mendos care	Does working outside interest you? Enjoy	12-13
		camping, hunting, hiking, or kayaking? Learn	
		firsthand about careers that will keep you	
		connected to the natural environment, such	
		as wildland fire, forestery, wildlife and	
		more. Practice your skills in these career	
		paths and meet the professionals currently	
		working in these roles. Most importantly,	
		spend some time outside! Wear clothes you	
		can move in outside and no open-toed	
A-36	Venture to Adventure	shoes. Ages 12 and up.	12-19
		Are you a writer? Would you like to become	
		a writer? Join this session to develop the	
		skills necessary to build characters, stories,	
		and worlds. We'll use shared prompts and	
		word games to strengthen our writing	
		abilities. You will leave with tools to help	
A-37*	Writing from Austen to Zusak	your writing in any genre. Ages 12 and up.	12-19

Session B Thursday, June 22 1:30 pm - 4:30 pm

Session			
Number	Title	Description	Age Range
		3, 2, 1, Liftoff! Soar into the atmosphere in	
		this session as you learn the basics of	
		making a model rocket. Launch yourself into	
		the design process as you carve a nosecone,	
		cutout fins, and add unique elements to fit	
		your mission parameters. Don't let this	
B-1*	3, 2, 1, Liftoff!	session zoom by. Ages 12 and up.	12-19

		pattern, decide what obstacles to use,	
		Project Rules Committee! We will create a	
		approval to the Michigan 4-H Horse & Pony	
		gymkhana/speed class to submit for	
		to create a new horse show	
		Advanced Level Session! Attend this session	

		Do you want to learn about horses? Do you	
		ride horses and want to enhance your	
		knowledge? This fun session will let you	
		-	
		learn while playing a game. Find out all	
		things horse from grooming to saddling,	
		basic anatomy and how to care for them.	
		You will even create a craft to take home!	
		Bring your questions to ask and build your	
B-15*	Intro to Horses	horse-based knowledge. Ages 12 and up.	12-19
		Experience the science of meat! This session	
		will cover the basic concepts of meat	
		evaluation and grading. Learn the priorities	
		for placing classes of beef, pork and lamb,	
		and allow you to use the tools (such as a	
		The state of the s	
		probe, grid, marbling cards) of the industry.	
		Then put your knowledge to the test as you	
		estimate beef yield and quality grades. A	
		portion of the session may be spent in the	
		meat lab (i.e. cold environment). You will	
		need closed toed shoes and jacket and	
		adhere to meat lab policies. Long pants	
B-16*	Intro to Meat Evaluation	would be recommended. Ages 12 and up.	12-19
		Advanded Level Session! Using bundles of	
		pre-cut fabric strips (jelly rolls), you will sew	
		them together to create a lap quilt! Sew at	
		your own speed. Expperience with straight	
		line sewing is needed. Celebrate the	
		uniqueness of everyone's individual jelly roll	
		lap quilt. If there is time, pressing, batting,	
		backing and binding the project will be	
B-17	Jelly Roll Drag Race	covered. Ages 14 and up.	15-19
		What can you make with materials you can	
		find in a junk drawer? Put your engineering	
		skills to the test in this hands-on workshop!	
		You will learn about the engineering design	
		process and spark your own creativity as	
		you work in a team to build a catapult. Can	
		your team's catapult meet the design

D-13* Dungeons and Drawing and up. 12-19
Are you creative? Do you enjoy solving
problems? Like inventing new things?
Engineers - both women and men - are
changing the world through innovation,
design and research. Explore hands-on
activities in a variety of engineering
disciplines guided by the MSII College of
disciplines guided by the MSU College of
Engineering. Learn how you can become an

		Calling inventors! This session will be an	
		investigation full of hot air – literally – as the	
		Curious Crew investigates the power of the sun and solar energy. Take the STEM	
		Challenge and build a car that is powered by	
D-15	Explore Solar Energy with WKAR's Curious Crew	light. Ages 12-15.	12-15
		A day in the life of a dairy farmer!	
		Experience living and working on a dairy farm and find out about the many	
		opportunities to work in the field of	
		agriculture and natural resources. In	
		addition to learning about the education,	
		jobs and careers associated with the	
		agriculture industry, you will get to play interactive games and work through real-life	
		scenarious to help you prepare for your	
D-16	Farm Livin' Is the Life for Me!	future. Ages 12 and up.	12-19
		Interested in making your own jewelry? And	
		perhaps starting a jewelry-making business?	
		Join this session focused on the art of	
		making jewelry. Try out a new craft, create your own personalized style, and learn,	
		from a 4-H member, how a passion for	
		jewelry can also lead to a business. Ages 12	
D-17	Finding the Sparkle in Every Moment	and up.	12-19
		Getting ready to apply for colllege? Looking	
		at Michigan State University? Take a tour of campus and talk with current students an	
		faculty during this interactive session. Find	
		out the steps you can take now to be	
		prepared to apply to MSU. Learn about the	
		resources available at MSU to help you be	
		successful during your Spartan journey. This	
D-18	Future Spartan Success	session is best for those in high school but open to all. Ages 12 and up.	15-19
<i>D</i> 10	Tuture Spurtum Success	In the game of life, it often feels like you	13 13
		have to learn the rules on the go. Join us for	
		a spring training session where we will learn	
		some of the rules ahead of time! With	
		stations focused on auto loans, online security, and resume building, you will leave	
D-19	Game of Life: Spring Training	ready to win!	12-19
		This session will allow you to increase your	
		awareness of who and how you are.	
		Knowing this, you can respond, instead of	
		react, to your environment and limit times your feelings overwhelm you. We will	
		discuss the importance of self-care, sample	
		approaches to daily mindfulness, and	
		methods to create regular habits that foster	
		peace and harmony. You will be able to	
	Good Vibes Only: Mindfulness, Self-Care, and	practice these approaches in your daily life and share what you learned with friends.	
D-20*	Harmony	Ages 12 and up.	12-19
		What hays or grains are best for your horse?	
		In this session, you will learn to identify	
		different hays and grains commonly fed to	
		horses. You will get the chance to body condition score horses and learn about	
		career options within the field of equine	
		nutrition. Help your equine friends live their	
		healthiest life in this session. Must wear	
D-21	Hungry as a Horse!	closed toed shoes. Ages 12 and up.	12-19

		What do you dream of? A job, a college, a	
		car, showing a prize-winning sow this	
		summer? Join this session for targeted work	
		on achieving those dreams. Learn about the	
		psychology of goal-settig, and spend time	
		establishing the action steps needed to	
		achieve your own dreams. Leave with a	
5 00	15 4 6 7 7 7 7 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1	vision board to help keep your eyes on the	10.10
D-22	If You Can Vision Board It, You Can Do It!	prize! Ages 12 and up.	12-19
		What are the important steps and factors in	
		judging livestock? What do you say when	
		you give an oral reason for a placing? This	
		session will provide a basic introduction to	
		evaluating market animals and give you a	
		strong footing to build your livestock	
		judging skills. No open-toed shoes allowed.	
D-23	Intro to Livestock Judging	Ages 12 and up.	12-19
D 23	intro to Ervestoek sauging	Start your journey to Olympic gold! Three-	12 15
		position pellet rifle shooting can be found in	
		programs ranging from 4-H Shooting Sports	
		all the way up to the Olympics. In this	
		hands-on session we will cover firearm	
		safety, the types of equipment used, and	
		the basics of the prone, kneeling, and	
		standing pellet rifle positions. No open-toed	
D-24	Intro to Pellet Rifle	shoes will be allowed. Ages 12 and up.	12-19
		What can you make with materials you can	
		find in a junk drawer? Put your engineering	
		skills to the test in this hands-on workshop!	
		You will learn about the engineering design	
		process and spark your own creativity as	
		you work in a team to build a catapult. Can	
		your team's catapult meet the design	
D 25*	Lundy Dunggar Dale attings Duilled a Catangult	specifications and fling a pompom the	12.10
D-25*	Junk Drawer Robotics: Build a Catapult	farthest? Come find out! Ages 12 and up.	12-19
		Want to help younger students understand	
		where their food, fiber, and fuel come	
		from? Enjoy sharing your excitement for	
		agriculture? During this session, you'll first	
		be the student as you enjoy hands-on,	
		interactive activities. Then you'll be the	
		teacher as you create your lesson plan,	
		practice teaching techniques, and learn	
		about all the resources available to you as	
		you keep calm and teach younger youth	
D-26	Keep Calm and Teach Ag	about agriculture! Ages 12 and up.	12-19
		Television and video production are	12 13
		exciting, fast-paced, and growing career	
		options that offer many opportunities for	
		learning, creativity, and fun! Learn how to	
		use basic production equipment and	
D-27	Lights! Camera! Action!	produce your own show! Ages 12 and up.	12-19
		Do your 4-H meetings or group activities	
		feel like all work and no play? Learn quick	
		and engaging activities to make your next	
		meeting both fun and functional. Find ways	
		to involve everyone in a group from the shy	
		new member to the enthusiastic older	
		participant. Have fun and learn ways to	
		help everyone participate at their own	
D-28*	Meetings That Get You Moving!	comfort level. Ages 12 and up.	12-19
		Tarmer Control . Oct TE dild ab.	12 13

		"This is JEOPARDY!" Now here is our host	
		the MSU Federal Credit Union's Financial	
		Educators! Join us, as a contestant as we	
		learn what matters most when it comes to	
		money! You will experience mini financial	
		education presentations and then test your	
		knowledge in categories such as credit,	
		credit unions vs. banks, fraud, Michigan	
		facts and more! Ask yourself: Will you be	
		crowned the next Money JEOPARDY	
D-29*	Money JEOPARDY!	Champion? Ages 12 and up.	12-19
D 23	Wolley Jeol And I:		12 13
		Prepare yourself for the unexpected! Learn	
		strategies to handle an animal emergency	
		on a farm. Then use your skills to solve an	
		animal health mystery to save the family	
		farm. You will leave with emergency	
		response skills for animals so you are better	
		able to manage and respond if needed. Ages	
D-30	Mystery on the Farm	15-19.	15-19
D-30	iviystery on the raini		13-13
		Relationships and dating can be challenging!	
		In this session, you will identify healthy signs	
		of a positive relationship and warning signs	
		of a unhealthy relationships. Having	
		boundaries can lead to healthy	
		relationships. You will understand and	
		practice communicating your own	
		boundaries while respecting your peers'	
		boundaries. You will also learn how to	
		navigate a break-up and support others in	
D-31*	Navigating Relationships	their relationship journeys. Ages 12-15.	12-15
		Do you want to help the mission of Leader	
		Dogs for the Blind and raise a future Leader	
		Dog? This session is for you! Find out about	
		positive reinforcement training, training a	
		guide dog prospect, and careers in the guide	
		dog industry. Experience a guided walk	
		alongside a trained Leader Dog Canine	
		Ambassdaor. Leave with a better	
		understanding of the important role Leader	
		Dogs have in empowering people who are	
		visually impaired with lifelong skills for	
		independent travel. No open toed shoes.	
D-32*	Paws-tivity: Training a Future Leader Dog		12-19
D-32	Paws-tivity: Training a Future Leader Dog	Ages 12 and up.	12-19
		How can you take care of seedlings and	
		what does it mean to propagate a plant?	
		Find these answers and more in this	
		session! You'll explore plants around MSU	
		to determine how they are produced. Be	
		ready to get your hands dirty (and maybe	
	Plant Propagation: How to make more houseplants	even take home a plant souvenir)! No open	
D-33	for yourself and friends!	toed shoes allowed. Ages 12 and up.	12-19
<i>D</i> 33	ior yoursell and menus:		12-19
		Celebrate and support pollinators in this	
		activity-based session. Learn how flowering	
		plants adapt to attract pollinators by	
		designing your own flower and pollinator.	
		Take a stroll around campus to look for and	
		identify plants and their pollinators using	
		iNaturalist. Put your knowledge to the test	
		-	
		by building a hotel for solitary burrowing	
D-34*	Pollination Celebration	bees using recycled materials. Ages 12 and	12-19

		If you love dogs, baking, and "do-it-yourself"	
		projects, then this is the session for you!	
		Pippin, the dog, is bringing his pantry to	
		MSU to share what is and is NOT safe to	
		feed your canine companions from the	
		human table! You will make a dog-safe treat	
		from scratch to take home to a pup or	
		donate to a local shelter! You will also	
		experience some veterinary concepts such	
		as calculating chocolate toxicity, canine CPR,	
		and the canine Heimlich maneuver. Ages 12	
D-35	Puppy Treats and Care!	and up.	12-19
	appy meate and earer	Collect the pieces throughout the session to	
		solve the Apprenticeship 101 puzzle.	
		Starting at the edge participants will work	
		through learning about the requirements	
		and opportunities associated with	
		apprenticeships in Michigan. Flip and	
		connect your puzzle pieces to discover if an	
		apprenticeship, whether used as a stepping	
		stone or full-fledged job or career is right for	
D-36	Putting the Pieces Together	you! Ages 12 and up.	12-19
		Ready! Set! Pull! During this hands-on	
		session you will learn the parts of the gun,	
		shooting techniques and safety. This session	
		will allow you to try the discipline of trap.	
D-37*	Ready! Set! Pull!	No open-toed shoes will be allowed.	12-19
	, , , , , , , , , , , , , , , , , , , ,	Get ready to roll the dice on the Reality	-
		Farm! In this simulation, you will see if your	
		4-H project animal can make any money at	
		an auction. Learn tips, along the way, to	
		help your livestock project sales in real life.	
D-38	Reality Farm	Ages 12 and up.	12-19
		Running is a free form of cardio exercise and	
		you can do it anywhere! Learn the basics of	
		distance running as well as running	
		techniques to be healthy and fast. Discuss	
		the health and lifestyle benefits and	
		nutrition tips to support your running	
		practice. Come ready to learn how to run	
		for your whole life! Wear clothes you can	
		move/run in and athletic shoes. Ages 12 and	
D-39*	Run for your Life	up.	12-19
		Channel your creative side and join us in this	
		session to learn how to make soap! You will	
		take different nourishing oils and create	
		your own bar of soap. Leave with your very	
		own soap samples to use at home. This class	
D-40	Soap Making for Beginners	is great for beginners. Ages 12 and up.	12-19
		Shoot for the goal! Have fun while learning	
		and practicing the 7 fundamentals of soccer:	
		passing, dribbling, shooting, controlling,	
		heading, goal-keeping and tackling. Learn	
		nutrition tips to help you perform at your	
		best as an athlete. Wear athletic clothing,	
		athletic shoes and bring a refillable water	
D-41	Soccer FUNdamentals	bottle. Ages 12 and up.	12-19

		Ever wonder how difficult it is to live on your own, make life decisions, and pay your bills? In this exciting budgeting simulation, participants will take on the challenge of creating a budget based on decisions they make about common monthly expenses. Find an apartment, buy a car, save for	
D-42*	Spartan Dollars and Cents- A Budgeting Challenge	retirement. Can you develop a budget that best align with the lifestyle you envision for yourself? Ages 12 and up.	12-19
		In this session, you get to create your own fun stop motion animation using just a phone or tablet! Practice video planning and storyboarding, explore software used to make stop motion animations, and channel creativity to complete an animated film. (Please note-to make your own stop motion animation, you will need to have or share a phone or tablet with an installed stop motion animation software. Stop Motion Studio's free version can be downloaded for	
D-43	Stop Motion Animation Challenge	iOS or Android.) Ages 12 and up.	12-19
		You'll get plenty of hands-on experience while exploring a world-class isotope laboratory where nuclei are smashed into a	
		target at nearly half the speed of light! Take a tour behind the scenes where researchers	
		make and study nuclei that don't exist on	
		Earth. Discover the future of MSU's Facility	
		for Rare Isotope Beams, a new laboratory	
D-44	Super Collision of Atomic Nuclei	designed to push the boundaries of nuclear science. Ages 12 and up.	12-19
D 44	Super complete of Acontic Mucici	Get crafty and explore the world of 'reduce,	12 13
		reuse, recycle!' First, you will get to	
		repurpose materials with Spartan Upcycle	
		to make your own Funky Junk Journal, and tour the Grow Green Vermicompost	
		hoophouse where thousands of Spartan	
		worms turn campus food waste into plant	
		food! Get a behind-the-scenes look at the	
		MSU Recycling material recovery facility, where thousands of pounds of recyclables	
		are sorted and baled every year. Leave with	
		ideas on how you can make a difference by	
		reducing, reusing and recycling! Wear closed toed shoes and dress for the	
D-45	Upcycle and Explore at the MSU Recycling Center	weather. Ages 12 and up.	12-19
	, ,	Do you love animals? Interested in	
		Veterinary Medicine? Come to this session	
		to learn more about the application process, what to do to get into vet school and helpful	
		tidbits that you can start in middle/high	
D-46	Vet School 101	school. Ages 15 and up.	15-19
		Watercolor painting is a water-based medium often praised for the transparency	
		of the colors. In this skill-building class, you	
		will learn watercolor painting techniques	
		and how to achieve a variety of effects in	
		your painting. Try out what you learn before progressing to a bigger canvas. Ages	
D-47	Watercolor Techniques	12 and up.	15-19

		Are you a writer? Would you like to become	
		a writer? Join this session to develop the	
		skills necessary to build characters, stories,	
		and worlds. We'll use shared prompts and	
		word games to strengthen our writing	
		abilities. You will leave with tools to help	
D-48*	Writing from Austen to Zusak	your writing in any genre. Ages 12 and up.	12-19
