# STATEWIDE 4-H NEWS

## Starting the 4-H season off right: Suggestions for the year's first meeting

Adapted from an article by Michelle Neff at [www.canr.msu.edu/news/starting-the-4-h-season-off-right-suggestions-for-the-years-first-meeting](http://www.canr.msu.edu/news/starting-the-4-h-season-off-right-suggestions-for-the-years-first-meeting).

A new 4-H year has started and that means it is time to start thinking about the goals and plans for educational, inspirational and recreational activities for Michigan 4-H clubs! No matter what project youth are participating in, it is important to start the year off right!

MSU Extension has resources for volunteers to help lead and manage their 4-H club on the 4-H Club Development website, [www.canr.msu.edu/4hclub/index](http://www.canr.msu.edu/4hclub/index). A good start to the 4-H year will allow youth members, club leaders and parents to be clear about expectations and plans for the group and be excited for what will take place. Some tips to get you started include:

- Get to know youth and adults and share about 4-H! Clubs transition from year to year. There may be members new to 4-H, youth trying new project areas, and members who have left or transitioned to different activities. Make sure everyone knows each other with a fun icebreaker activity.
- Prepare a list of activities for the year. The 4-H year goes fast and there is a lot to do in a short period of time. Preparing a list of club activities for meetings is important to ensure youth are learning the life and technical skills of their 4-H project.
- Create a calendar. Once you have your activities picked out, it's time to plan when and where it will all happen!

## MSU Extension hosts successful second Michigan 4-H Day at the Capitol

On October 9, MSU Extension hosted the second Michigan 4-H Day at the Capitol to showcase the positive impact of the Michigan 4-H program and bring additional visibility to its effects. The event was held in the atrium of Heritage Hall – the Capitol Visitor's Center.

"We were so excited to bring this event back in 2024," said Deanna East, MSU Extension associate director who served as the event emcee. "Michigan 4-H is certainly worth celebrating every day of the year and we are grateful for the opportunity to highlight this impactful program to our state's leaders."

Michigan 4-H Day at the Capitol was attended by legislators, stakeholders and members of the public. At the event, attendees visited information booths hosted by Michigan 4-H youth and staff. A brief program featured East as well as: legislative host Representative Reggie Miller; MSU President Kevin Guskiewicz; Emma Young, policy analyst for Governor Whitmer and a Michigan 4-H alumna; Everett Howell, Michigan 4-H youth from Leelanau County; and Brianna Sierra, Michigan 4-H youth from Genesee County.

Mich. 4-H youth with Rep. Miller (fourth from left).

"The Michigan 4-H program serves an incredible number of youth each year but we hope to reach even more young people in the years ahead" continued East. "Elevating awareness of the program is one of our primary goals for Michigan 4-H Day at the Capitol and we believe this event will help connect more youth with our program and all that Michigan 4-H has to offer."

The program was livestreamed on the Michigan 4-H Facebook and can be viewed at [www.facebook.com/Michigan4H](http://www.facebook.com/Michigan4H).
