My 4-H Story Instructions

“Your 4-H Story” is a very important part of your 4-H'er of the Year Application. Try to convey how your participation in 4-H contributed to your self-respect and concern for others, how it has influenced you in school, in your use of leisure time and in your career plans. “Your 4-H Story” is the place to expand on facts and figures by telling what your experiences have meant to you; how they have developed and affected your confidence, your attitude and other factors. “Your 4-H Story” adds warmth and depth to your application. It should not be a re-listing of what you included in your resume.

Your story is limited to **two** double-spaced, typed or printed 8 ½- x 11-inch pages. Type must be no smaller than a 12-point. Have someone proofread your work before you submit it.

The following outline may help you develop “Your 4-H Story.” It is divided into parts simply to help you outline what you want to say about yourself. **Do not** identify these parts in “Your 4-H Story.”

PART 1:

Introduce yourself. Include information about your age, interests, family, where you live, where you go to school, when and why you became involved in 4-H.

PART 2:

Highlight your 4-H projects and activities, including major learning experiences, special interests and unusual situations you have encountered. Tell about how your projects grew in size and scope and some of your successes (and failures).

PART 3:

Explain how 4-H has helped you become a better leader and citizen, how 4-H has increased your interest and participation in community affairs, and what you have learned from your team or group involvement and efforts.

PART 4:

Describe how 4-H participation has helped you to feel about yourself, influenced your school and career goals and your use of leisure time. Tell about your future plans and the career you want to pursue.
