The Feeder Calf Project animal will be either a December or January born bull calf. A dairy beef feeder must be of a recognized dairy breed as described by the American Dairy Cattle Association Standards.

I understand that the calf or calves must be ear tagged no later than **March 1st**. Each 4H club is responsible for ear tagging the calves in their club and it will be the responsibility of the 4H member to take a picture of the calf with the ear tag visible. A photo of the calf must be submitted by **March 10th** to the BERLIN FAIR MARKET LIVESTOCK COMMITTEE EMAIL ADDRESS.

**The required vaccination program for this year's fair will be as follows: After 8 weeks of age and before April 10,2020 is when it needs to be given Inforce 3 (intranasal) Nuplera (subq) and Ultrabac C & D (subq). Two weeks before fair - Vision 7 w/somnus or Ultrabac 7 Somubac (subq) and Inforce 3 (intranasal).**

I have read and agree to abide by the current 4-H Market Livestock Guidelines and the Ottawa County 4-H Code of Conduct policy. I also understand that there is a percentage that is deducted from the 4-H members' market livestock sale checks, it is a 4% fee, the money that is deducted from sale check is used to pay for the yearly expenses that are from the 4-H Livestock Sale which includes but not limited to; College Scholarships, buyers dinner at the fair, livestock pictures, portion of the judges fees, ear tags, calibration and certification of the livestock scales, trucking of livestock to slaughter houses or sale barns, postage to send letters to buyers, and office supplies.

I understand that the MSUE participation fee of \$20 must be paid before the calves are ear tagged. **All feeder calves MUST be castrated, and dehorned by tagging date. Vaccinated as directed above.**

I have read and understand the above provisions of the Feeder Calf Project. Yes\_\_\_\_ No\_\_\_\_
