

The Reserve at Moonlight Basin is a sprawling Jack Nicklaus Signature course, located at 7,000 feet of elevation in beautiful Big Sky, MT, and one that he considers to be the most beautiful he has ever designed. Stretching over 800 acres with 80 acres of maintained turf, our championship 18-hole course is situated on the open alpine slopes below the towering Rocky Mountains and provides panoramic views of the last best place. Opened in 2015 and rated #2 Best new courses of 2016 by Golf.Digest?and climbing quickly to the #2 ranked course in Montana?we create premier playing conditions and high-quality turf.

Our internship program takes into account every individual's goals and focuses on what they want to learn and improve upon. Interns will work closely with the Superintendent, Assistant Superintendents, and Equipment Technicians. The ideal candidate is highly motivated and team-oriented with a strong work ethic and attention to detail. This candidate would have a strong desire to progress their career in the turf industry.

We offer a once in a lifetime opportunity to learn about championship turf care in a uniquely beautiful setting with a personalized program where we will train and educate the right candidate.
