St. Joseph County 4-H Youth Program

4-H Youth Division Code of Conduct for Exhibition at the St. Joseph County Grange Fair

Sponsorship: The St. Joseph County 4-H Youth Program is the non-formal youth educational component of Michigan State University Extension, which is jointly funded by the United States Department of Agriculture, Michigan State University, St. Joseph County Grange Fair Association and the St. Joseph County Board of Commissioners. Many St. Joseph County businesses, civic organizations and private individuals provide materials and financial support for the 4-H program.

4-H Clubs: 4-H clubs are comprised of groups of five or more young people between the ages of 5 and 19 years in urban, suburban, small town and rural settings. 4-H clubs carry out a wide variety of educational projects in civic and community service, agriculture, home economics and other areas. Volunteer adult leaders and older 4-H members enrolled in the 4-H Teen Leadership project give 4-H members direction and leadership.

4-H clubs function democratically. 4-H members run their own clubs with the guidance of adult leaders, elect officers, help plan and hold meetings and select educational projects. Each club drafts its programs to suit its members and the localities in which they live.

Current Situation: 121 Cloverbud members ages 5-7 and 546 4-H members ages 8-19 are enrolled in 4-H this year (2024). These youth are members of one or more of the 19 4-H clubs in the county. These 4-H members have planned and conducted meetings and completed projects with the help and guidance of over 175 adult volunteer leaders and 11 teen leaders.

Emblem Colors and Pledge: The national 4-H emblem is a four-leaf clover with a letter "H" on each leaf. Club colors are green and white. The white background on the 4-H flag symbolizes purity. The green of the emblem represents nature's most common color, and is symbolic of youth, life and growth. The national 4-H pledge reads as follows:

I pledge My head to clearer thinking,
My heart to greater loyalty,
My hands to larger service,
My health to better living,
for my club, my community,
my country, and my world.

Contributions made by local businesses, civic organizations and private individuals help provide 4-H citizenship, leadership and "life skills" development activities throughout the year.

General Exhibitor Livestock Rules

Introduction: The 4-H program is educational by design. Its first priority is to help youth develop character, community service and skills in preparation of serving others in society. All youth exhibitors will be held to the same standard and should strive to present the animals they have in the best manner possible. Each exhibitor should willingly teach others the things they have learned and are learning in their project experience. Because of the priority of developing high character and service to others, all livestock exhibitors and families will care for and prepare their animals for showing in the areas designated by the appropriate livestock superintendent so that all exhibitors and families can learn from each other.

Preparation, Care & Exhibition of Animals

- Animals will be treated Humanely:** All animals shall be brought to the fairgrounds in a clean and presentable fashion. All exhibitors and families shall provide feed and water daily between **6:00 - 8:00 a.m.** and **6:00 - 8:00 p.m.** All exhibitors and families shall not inflict undue pain for any purpose. If there is a question about the appropriateness of any treatment of an animal, the member or family members should get permission from the superintendent before implementing the practice. Abusive use of show aids will not be tolerated. Parents may intervene if safety or excessive handling is observed.
- “Report to Superintendent Immediately”** tags will be placed on any pen where animals have not been properly cared for by the exhibitor; *Explanation of tagging process:* 1st yellow tag = warning - verbal. 2nd yellow tag = written warning. Red tag results in loss of privileges and may result in loss of monies. Refer to the project Animal Certification/Care form for full details.
- Proper Fitting and Representation of Animal Information:** The exhibitor is responsible for preparing their animal for presentation during the show. Immediate family members, grandparents, legal guardians, other current-year St. Joseph County 4-H members, or St. Joseph County 4-H leaders may **assist** them during fair week. However, the **exhibitor must actively participate in the grooming of the animal** as well. It is expected that the animals will be washed and clipped as allowed in species rules. Tampering with the color or quality of the animal’s coat is not allowed unless species rules provide an exception. If there is a question about the appropriateness of a grooming or fitting technique the appropriate superintendent should be consulted for approval prior to using the technique. Tampering or misrepresentation of ownership, breeding, age, preparation, or other irregularity in exhibiting will be considered fraud and deception. Any use of a professional fitter, groomer, arranger, etc. at the fair facilities is prohibited. Violation of this rule, as determined by the appropriate 4-H Species Superintendent and the St. Joseph County 4-H Program Coordinator will result in the disqualification of the exhibitor and the animal(s) will be removed from the fair facilities and market animals will not be sold at the auction.

Filing a Rules Related Complaint

The following procedure will be followed regarding the handling of a rule violation complaint:

1. Contact the appropriate superintendent or assistant superintendent and discuss your concerns with them to determine if rules have been violated. The superintendent may then choose to consult with local St. Joseph County MSU Extension staff. If you are not satisfied with the results of this process, you may file a complaint, see rule 2 and following.
2. Any person interested in bringing a rule violation complaint against an exhibitor must complete, sign and submit a "4-H Rule Violation Complaint Form" to the 4-H Program Coordinator within 24 hours of the alleged violation or becoming aware of the situation and within the seven (7) day fair time frame. Every effort should be made, if possible, to submit a complaint prior to an animal exhibition in a show. This does not guarantee removal of the animal from the show. If an alleged violation happens after exhibition, a complaint form must be submitted no later than the last Saturday of the current fair week by 12:00 p.m. A \$100 cash filing fee per complaint form is due and payable at the time the complaint is filed. If the complaint is upheld, the filing fee will be refunded. If the

complaint is not upheld, the filing fee will go to the St. Joseph County 4-H Youth Council.

3. The exhibitor and/or parent or guardian against whom a 4-H rule violation complaint has been filed has the right to read the complaint.
4. The animal may be placed under quarantine until appropriate examination and collection of samples for testing are completed.
5. The exhibitor or their parent/guardian against whom the complaint is filed (hereafter referred to as the respondent) is required to complete and submit a "4-H Rule Violation Response Form" to the 4-H Program Coordinator within 12 hours of receiving a copy of the "4-H Rule Violation Complaint Form" filed against them. The individual who brought the complaint (hereafter known as the complainant) has the right to read the response form.
6. Both the complainant and the respondent will be asked to appear before the 4-H/Livestock Association Executive Council Complaint Committee for a hearing on the matter. Any youth exhibitor appearing before this committee must have their parents/legal guardians or their designee present and they may speak on behalf of the exhibitor. Each side has a maximum of 10 minutes to present the facts of their case, with the complainant speaking first. Each side also has five minutes for rebuttal. The Committee will deliberate as they determine appropriate and render its decision. **Upon the decision it will be final.**
7. A written copy of the 4-H/Livestock Association Executive Council Complaint Committee's decision and penalties assessed, if applicable will be delivered by the 4-H Program Coordinator to the respondent and the complainant as soon as possible after a decision has been rendered. If, for any reason, a decision regarding the rule violation cannot be rendered until after the fair, both parties will be notified by mail of the Committee's decision.
8. The St. Joseph County Grange Fair Board of Directors has final authority over decisions involving the Fair per the Michigan Department of Agriculture.

4-H/Livestock Association Executive Council Complaint Committee: Committee is comprised of four persons of the St. Joseph County 4-H Youth Council Executive board, the 4-H Program Coordinator, the St. Joseph County Grange Fair Board of Directors 4-H Liaison, as well as Livestock Association Committee members as appropriate. It also reserves the right of MSU Extension, FFA, or their affiliated organizations to take action in a situation when behavior inappropriate to the purpose of 4-H or FFA that is not explicitly addressed in these rules has occurred.
